## HERITAGE MAKERS FAIR: Quilt & Craft Spectacular, Heritage Trades & Bygone Crafts

A host of old trades are brought to life and quilts & artisan exhibits are showcased at Gympie Rotary's HERITAGE MAKERS FAIR!

Gympie Rotary's Rare Trades Expo has recently joined forces with the Club's prestigious Quilt & Craft Spectacular. The expanded event, now named the HERITAGE MAKERS FAIR, includes the works of renowned guest artisans, traditional and contemporary quilts and art quilts showcased inside Gympie's Pavilion, while wrapped around its exterior, there's an incredible array of over 65 masters, artisans and makers of diverse heritage trades and crafts to be discovered. These makers, who will be demonstrating throughout the event, will shed light on the skills which were once part of the everyday life of yesteryear. They are passionate about keeping their almost-forgotten trades alive and inspiring a new generation of craftspeople.

And another essential craft: the age-old art of brewing! Meet brewers "Your Mates" at the Craft Beer Open Door – and try a tasting paddle!

## Vintage, Veteran & Classics Display

The Gympie Gold Mining & Historical Museum was inundated with floodwaters in the devastating floods of 2022. Sixteen of the thirty five exhibition spaces were flooded and 10,000 items were either lost or damaged.

Over 50 motor vehicles and engines were unable to be moved to safety as floodwaters rose - engines and machines that have served the Gympie region over the last 150 years - vintage and heritage trucks and timber trucks, buses, rollers and more.

The Rotary Club of Gympie is working with the Museum to assist in its recovery.

A grant has been received from the RACQ Foundation to fund urgent repair work in conjunction with the event.

**See the Museum stand at the
