## VINTAGE VETERAN CLASSICS

ASSISTING THE GYMPIE GOLD MINING & HISTORICAL MUSEUM

The Rotary Club of Gympie is working together with the Gympie Gold Mining & Historical Museum to assist the Museum to recover from the devastating floods in the Gympie region in February 2022.

The Museum is still in dire straights, with limited resources to repair devastating damage to irreplaceable collections. Sixteen of the thirty five exhibition spaces were inundated with floodwaters and 10,000 items were either lost or suffered damage.

Over 50 motor vehicles and engines were unable to be moved - engines and machines that have served the Gympie region over the last 150 years - vintage, heritage trucks and timber trucks, buses, rollers and more.

Through this event, critical funding has been offered by the RACQ Foundation to assist in reparation. The Museum crew will be onsite at the Vintage, Veteran & Classics display - please see if there's a way you can help.

Services/ volunteering welcome!
